

Prologue

THE CLARINET THAT MAKES YOU WANT TO PLAY

The Prologue clarinet by Henri SELMER Paris embodies a long tradition of artisanal excellence, recognized for the quality of its acoustics by clarinetists of all periods and styles. This innovative model offers a revolutionary thumb rest, an ergonomic tone hole insert for small hands, reduced instrument weight and an ergonomic register key, all of which facilitate learning and practicing the instrument.

The Prologue adds a touch of whimsy by allowing musicians to personalize their instrument with a choice of six colorful bands for the bell – a feature unique to this instrument.
