

Présence

the versatile professional clarinet

Crafted to meet the needs of musicians at every level and across all musical genres, the **Présence** clarinet is the ultimate “universal” instrument.

For over a decade, it has set the standard for entry-level professional clarinets, offering exceptional sound quality and playing comfort. Today, Henri SELMER Paris has taken it even further, with a redesigned bell and wider rings for improved tonal balance and resonance.

Lighter for enhanced comfort, it features **Gore-Tex®** and **Valentino pads** ensuring greater precision and durability. The use of FSC-certified grenadilla wood and its elegant design showcase SELMER's exceptional craftsmanship, while the **EVOLUTION★ system** provides optimal stability and protection against moisture.

Delivered with two barrels (64,5 mm and 65,5 mm), an **Echo mouthpiece** and a refined case, the **Présence** strikes the perfect balance between **tradition and innovation**, ready to excel in any musical setting.

Henri SELMER Paris

Designer and manufacturer of wind instruments,
mouthpieces and reeds since 1885

ACOUSTICS

A new ring design, with more material (7 mm wide), provides the instrument with greater resonance.

Two newly designed barrels are included: 64.5 mm and 65.5 mm, to adapt to any playing conditions.

Improved tonal consistency across registers thanks to the new internal bell shape.

RELIABILITY: INTEGRATED EVOLUTION★ SYSTEM

Thanks to an innovative inner lining process using a next-generation resin, the EVOLUTION★ system ensures enhanced stability and longevity, while preserving the acoustic qualities of a wooden clarinet.

Weight reduction of up to 30 grams, from 814 g to 784 g.

The two pads for the ring keys are made of GORE-TEX® for greater precision in touch. The remaining pads are Valentino type.

AESTHETICS

FSC-certified Grenadilla wood from sustainable sources, selected for its high density, stabilized for 3 years in a controlled environment.

MARKING

The Δ symbol and the EVOLUTION★ system differentiate this new generation of *Présence* from the previous version.

Wood batch traceability number.

Clarinet serial number.

PROTECTION

A new single case with an elegant design, including a matching mouthpiece pouch.
